

Madison Environmental Group, Inc. Internships

Madison Environmental Group, Inc. is pleased to offer internships for candidates willing to share their talents and time and who are suited to work independently in our small open office environment. We provide interns with a professional learning opportunity and a memorable experience while working to improve the environment and the community.

Internships range from 10-40 hours per week. Internships will ideally last up to a year, but we will consider semester-long appointments. Each intern has the opportunity to receive a stipend based on goals achieved.

For more information, please click the following links. If you are interested in an internship, please email a cover letter, your resume, and two references to the person listed below and cc: [Sonya Newenhouse](#).

Internship Opportunities

- [Graphic Design internships](#), contact [Maria Sadowski](#), EnAct Program Manager
- [NewenHouses Green Building internships](#), contact [Sonya Newenhouse](#), President

Volunteer Opportunities

We also have two ongoing volunteer opportunities at Madison Environmental Group, Inc. Please send a cover letter and resume to [Maria Sadowski](#).

- EnAct Team Leader—Volunteer to start or lead an EnAct team in your neighborhood, workplace, faith community, or other organization. This is a great way to learn about the environment, contribute to your community, and get to know us. Visit the [EnAct website](#) for more information about the program.
- Data base entry—Excel and Access data base assistance needed 2 – 6 hours per week. This volunteer opportunity provides a great way to learn more about environmental consulting.
