

Kelly Humphry
Madison Environmental Group, Inc.

25 North Pinckney, Suite 310
Madison, WI 53703

Education

M.L.A. University of Texas at Austin, School of Architecture. Landscape Architecture. 2007.
Certificate University of California, Santa Cruz. Ecological Horticulture. 1999.
B.A. University of Chicago. Environmental Studies. 1997.

Professional Experience

- 2008- **Madison Environmental Group, Inc.** Madison, Wisconsin
Sustainability Consultant. Provides consulting services for green building projects including sustainable landscape design for water management, LEED certification management, and deconstruction waste recycling.
- 2008 **Schreiber/Anderson Associates**, Madison, Wisconsin
Landscape Architect. Designed landscape features and concepts for clients. Estimated costs and researched specifications for construction materials and green technologies. Prepared construction drawings, planting plans, and design renderings for firm projects.
- 2006-2007 **University of Texas, Austin Department of Geography and the Environment**, Austin, Texas
Graduate Teaching Assistant and Graduate Research Assistant. Taught and led discussions for 300 undergraduate and graduate students on a weekly basis. Tutored students in GIS mapping and assisted them with their independent research. Researched bioremediation, phytoremediation, and plant selection for contaminated urban sites.
- 2003-2004 **The Natural Gardener of Austin**, Austin, Texas
Greenhouse Manager. Responsible for production and management of a 6000 square foot organic greenhouse containing \$50,000 worth of retail nursery plants. Managed greenhouse employees. Organized sowing schedules, methods of propagation, soil preparation, and organic pest management. Taught horticulture classes to public. Maintained technical greenhouse components: swamp cooler, irrigation systems, CO2 generator, heating system.
- 2000-2003 **McEvoy of Marin Olive Ranch**, Petaluma, California (500 acre certified organic olive estate)
Gardener. Responsible for bee and honey management, orchard management for 120 fruit trees, greenhouse propagation, and landscape care for large estate garden, vegetable potage, and additional riparian habitat including 7 ponds. Designed floral arrangements. Marketed products through bay area farmers markets and the McEvoy Ranch Ferry Plaza store in San Francisco.
- 1999-2000 **Center for Agroecology, University of California**, Santa Cruz, California
Teacher and Assistant Field Manager. Taught field and garden scale organic farming methods to 39 apprentices in UC Santa Cruz's Apprenticeship for Ecological Horticulture. Apprentice program focuses included: Soil fertility and management, composting, vegetable, fruit, and flower production, propagation, irrigation, and marketing. Facilitated resident life on the UCSC Farm.
- 1998-1999 **Business and Professional People for the Public Interest**, Chicago, Illinois
Project Associate. Provided technical assistance for alternatives to pesticide use in rural and urban areas. Coordinated statewide campaign to reduce pesticide use in schools, resulting in two new Illinois state laws. Collaborated with local Chicago and state politicians on environmental policy.
- 1996-1998 **University of Chicago Environmental Center**, Chicago, Illinois
Environmental Center Coordinator. Managed student interns in the environmental library and resource center. Organized University lectures, events and debates on environmental topics.
- 1995 **U.S. Public Interest Research Group**, Washington D.C.
Field Manager. Organized public meetings with members of the 104th Congress on new environmental legislation. Crafted media materials and held public accountability sessions.

Activities and Achievements

- 2007 Received award for participation in the Urban Land Institute (ULI) Student Design Competition.
2005 Received Excellence in Design Award from the University of Texas at Austin.
