

Local Investment Starts at Home

You're invited to a **seminar** by Financial Consultant William Neil and President of Madison Environmental Group, Inc. Sonya Newenhouse.

When: Thursday **September 29** 5:30-7:00pm

Where: 25 N. Pinckney, Madison WI 53703, office of Madison Environmental Group, Inc. third floor

This seminar is **Free**. Space is limited.

Please RSVP to (800) 658-9011 and/or email the registration information (see below) to Brenda Woodliff at brenda.woodliff@lpl.com.

Snacks and beverages provided.

The seminar will be **repeated**.

When: Thursday **October 6** 5:30-7pm

Where: 422 Hickory St, Viroqua WI 54665 (at the site of the NewenHouse Prototype)

Seminar Details

William Neil will share the investment benefits of a Photovoltaic (PV) Solar Electric System investment he installed at his home. He will compare the total benefit of a solar system with an investment return as a viable part of a long term financial plan. Sonya Newenhouse will share how and why she's starting NewenHouse, a business that will sell super insulated, sustainable, small kit homes. At the Madison Seminar you'll get a picture tour of the house and in Viroqua a live tour of the 970sq ft three bedroom home.
