

## **Madison Environmental Group, Inc. Internship Posting**

Madison Environmental Group, Inc. is pleased to offer internships for candidates willing to share their talents and time and who are suited to work independently in our small open office environment. We provide interns with a professional learning opportunity and a memorable experience working to improve the environment and the community. Internships range from 10-40 hours per week and may be for one semester, one summer, or one year. Each intern has the opportunity to receive a stipend up to \$500 per semester based on goals achieved.

For more information, please click the following links. If you are interested in an internship, please email a cover letter, your resume and two references to the person listed below and cc Kathryn Auerback, VP, at [kathrynea@madisonenvironmental.com](mailto:kathrynea@madisonenvironmental.com)

### Volunteer Opportunities

We have two ongoing volunteer opportunities at Madison Environmental Group, Inc. Please send a cover letter and resume to Kathryn Auerback at [kathryne.auerback@madisonenvironmental.com](mailto:kathryne.auerback@madisonenvironmental.com) and cc Sonya Newenhouse at [sonya@madisonenvironmental.com](mailto:sonya@madisonenvironmental.com).

- EnAct team facilitation -- Work with our [EnAct](#) program coordinator to start a team. This is a great way to learn about the environment, contribute to your community, and get to know us.
- Data base entry. We greatly appreciate data base assistance 2 – 4 hours per week for our growing company. This volunteer opportunity provides you with an easy way to learn more about environmental consulting in our friendly open office environment.
