Professional Experience

- 2005- **Madison Environmental Group, Inc.** Madison, Wisconsin
Live Green Services Manager. Manages community environmental programs that foster behavior change and produce measurable results, including EnAct (Environmental Action Teams) and the annual two-week Car-Free Challenge. Provides transportation, recycling, and carbon management consulting services.
- 2004-2006 **Nelson Institute for Environmental Studies, University of Wisconsin.** Madison, Wisconsin
Teaching Assistant. Led discussion groups and planned lessons and activities for three courses: People, Natural Resources, and the Environment; Humans and the Changing Biosphere; and Environmental Studies: The Social Perspective.
- 2002-2004 **Carl Schurz High School.** Chicago, Illinois
Physics Teacher. Modeled instruction, inquiry, and discussion to engage students. Students worked in collaborative groups and were responsible for designing and carrying out experiments, interpreting data, and applying their results to real problems. Instruction tailored to accommodate all students, including special education and limited English students.
- 2000-2001 **Echo Canyon River Expeditions.** Canon City, Colorado
White Water Raft Guide. Took responsibility for the safety and entertainment of guests, and interpreted the natural environment. Transformed groups of tourists into effective paddle crews through leadership and intense training.
- 1999 **Andre House.** Phoenix, Arizona
Homelessness Outreach Worker. Coordinated volunteers at soup kitchen. Facilitated "Los Niños", a program for elementary school age children. Worked with individuals at transitional shelter to help them move towards stable and independent lives.
